

Fourth Grade Rocks!!

by 4BR and 4BZ

4 BR can go far
As far as the sky can go.
When they reach the top,
they'll never drop,
If you say stop, they'll go!

We can fly as high as the sky.
We don't lie,
We care about lives
And figure out
The square root of Pi!!!

4BZ rocks out with glee
We read, we write, we go crazy!
We're very smart and bright alright.
We do our jobs exactly right!
Aha, oh yeah, aha, aha, aha, oh yeah!
Aha, oh yeah, aha, aha,aha, oh yeah!

We run, we leap, we stamp our feet.
12:10 is when we eat.
We munch, we crunch, in a great big bunch,
Oh, how we enjoy our lunch!
Aha, oh yeah, aha, aha, aha, oh yeah!
Aha, oh yeah, aha, aha, aha, oh yeah!

Fourth graders can't be beat.
We're smart and sweet, a teacher's treat.
When we're together, we're never better
And when we're apart, we're still smart!
Aha, oh yeah, aha, aha, aha, oh yeah!
Aha, oh yeah, aha, aha, aha, OH YEAH!
